

Learn from home with Prodigy

April 20 - April 24 calendar of activities

Category	MONDAY	TUESDAY	WEDNESDAY Earth Day, wear green!	THURSDAY	FRIDAY
Numeracy	<p>Pretend you own a flower shop. Make a list (including pictures) of the flowers you sell. How much does each flower cost? Ask a family member to buy some flowers from your shop and add up the total cost of their flowers.</p> <p>Prodigy: 30 minutes</p>	<p>Using our “Number Game,” cut out the rectangles and put them in a hat. Pull out two at a time and add or multiply the numbers. Then put them back in and pull out two more. You get one point for each correct math equation. But if you pull out the word ‘Prodigy’ you lose a point!</p> <p>Prodigy: 30 minutes</p>	<p>Using our “Technology Pictograph” or making your own, record how often you use electronics throughout the day today.</p> <p>Prodigy: 30 minutes</p>	<p>With a family member and a deck of cards, draw one card each, no peeking, and put it on your head. Describe your partner’s number to them (e.g., 4 away from 5). See if they can guess correctly. Then it’s your turn. Face cards are mystery numbers, so you pick the value.</p> <p>Prodigy: 30 minutes</p>	<p>Toss a ball back and forth with a family member. Each time someone throws the ball, they must ask the other person an addition, subtraction, or multiplication question. When the other person catches the ball, they must answer the question!</p> <p>Prodigy: 30 minutes</p>
Literacy	<p>A verb is an action word (e.g., jump, swim, run). Can you think of a verb for every letter of the alphabet? See how many words you can fill in on the “Alphabet Verb Sheet”.</p> <p>Read: 20 minutes</p>	<p>Write a story that includes 5 or more verbs. Share your story with a family member, friend or Prodigy.</p> <p>Read: 20 minutes</p>	<p>Create a poster that encourages others to take care of the Earth (e.g., no littering, turn off the lights when you leave the room).</p> <p>Read: 20 minutes</p>	<p>If you could go anywhere on Earth, where would you go? Write about this place, and draw what it looks like. You can use our sheet or make your own!</p> <p>Read: 20 minutes</p>	<p>Using the letters in the phrase “Keep the Earth Clean,” how many new words can you come up with?</p> <p>Read: 20 minutes</p>
Physical	<p>Hopping into the week. Hop on your right foot across the room, then hop on your left foot on the way back. How many hops did it take in total?</p>	<p>Look at the list of verbs that you created yesterday. How many of those actions can you act out? Give them a try!</p>	<p>Throw a celebration for the Earth. Put some feel good music on and dance!</p>	<p>Sit down, close your eyes, and take 10 slow, deep breaths. Try doing this three times throughout the day. Did it help you feel calm?</p>	<p>Create a movement pattern. Choose 5 movements and repeat them at least 2 times in the same order while listening to a fun song!</p>
Social & Emotional	<p>If you can choose to be anything, be kind. Using the “Random Acts of Kindness Calendar” think of 1 act of kindness you can do for each day this week.</p>	<p>What is your favorite outdoor activity to play with friends? Draw a picture of it.</p>	<p>Make a “thank you” card for the Earth to say thank you for everything it gives us (e.g., food, water).</p>	<p>Make a list of five things that you can do to take care of the Earth. Try to do at least one of those things before the end of the day.</p>	<p>Draw a picture of something kind you did this week that made you feel good. You can use our “Reflection” sheet or make your own!</p>

Random Acts of Kindness Calendar

Come up with a random act of kindness for each day of the week.

Example: Call a friend you miss.

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY

1. How did these random acts of kindness make you feel?

Monday Social/ Emotional Activity

Number Game

Cut out the rectangles below. Place them all inside of a hat. Without looking, pull out two numbers at a time and either add them together or multiply them. You get one point for each equation you solve. Watch out – if you pull out the word Prodigy instead of a number, you lose a point! Play with a family member and see who can earn the most points.

1	2	3	4
5	6	7	8
9	10	1	2
3	4	5	6
7	8	9	10

Technology Pictograph

We can use a pictograph to record information. Each image represents a number value. Track your screen time throughout the day.

Types of Technology	Total Minutes
Television	
Computer	
Tablet/iPad	
Video Games	

- Pick a symbol and how many minutes each symbol represents.

Each _____ = _____ minutes

- **BONUS:** Add up the total amount of time spent on each piece of technology. How many minutes of screen time did you have today?

Travel the World

If you could travel anywhere on Earth, where would you go? Why?

Reflection

Draw a picture of something kind that you did this week.
Think about how it made you feel.
